Let's hold out a little while, but I think this will work out, so get ready!

Also, I'll be glad to brief you on the Court of Appeals decision and what will probably happen from here.

Bill,

Thanks for keeping me posted, I hope we can figure something out to move forward. Should I still hold off on submitting the IRB I have been preparing, or go ahead as discussed in my emails last week?

See below. Pyramid Peak is going to fund the administrative sanctions evaluation, but there will be some details to work out. (Haley, you will need to be involved in that.)

Of course, one thing I've got to discuss with them is the switch from the U of M Foundation to Sponsored Programs, along with the indirect cost issue. It is safe to say they will not be interested in a 43.5% indirect ! We will need to get a letter from them stating their limit on indirect costs, but I think that can get done.

Board members,

We apologize for the late notice but want you to know there will be a "first showing" of the planned youth assessment center tomorrow, Tuesday, August 21st. Here are the details:

Location: UT Hamilton Eye Center lobby, 930 Madison Avenue

Time: 3:00 p.m.

**Parking: Hamilton Eye Institute parking garage (NW corner of Madison and Pauline;
parking will be validated**

This is not a ribbon cutting for the center. That should come later this year. Rather, it will be an opportunity to view a display of floor plans, layouts, and other aspects of the identified space on the UT campus.

In addition, this will be an opportunity to personally thank outgoing County Mayor Mark Luttrell for his leadership on this important part of the Operation: Safe Community Plan.
